

# RECOMMEND SIMPLE.

Accu-Chek Aviva has been retired. Transition your patients to Accu-Chek Guide, our simplest system yet!

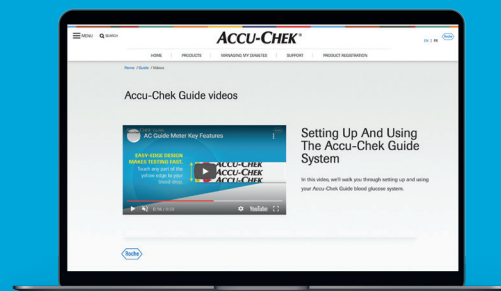

- Easy onboarding videos
- **FREE\*** silicone case
- The features they love and more!

# HELPING PATIENTS SWITCH IS SIMPLE.

## GET STARTED **ONLINE.**

Find simple how-to videos to help patients get started with Accu-Chek Guide at:

**GuideVideo.ca**

## **FREE\*** silicone case

Our silicone case is simple to grip and helps to emphasize where to insert the strip.

## **Our simplest system yet**

Accu-Chek Aviva patients can now find all the features they love and more in Accu-Chek Guide:

- Simple
- Accurate
- Fast
- Hygienic
- Fumble-free

## **Support While Patients Transition**

While we believe that Accu-Chek Guide is our best system yet in terms of accuracy, features, and patient simplicity, we recognize that not all patients will upgrade from Accu-Chek Aviva immediately. Accordingly, Roche Diabetes Care will **continue to supply the Accu-Chek Aviva test strips to support these patients.**

Replacement products, such as meters, batteries, control solutions, and other supplies will also be available through Accu-Chek Customer Care at **1-800-363-7949.**
